The Year's Memories ...

August — Another year ready to begin, and I'm finally a senior!

September — We've only been here one week . . . I'll never make it to May, and when's payday?

October — Who will I ask to Sadie Hawkins, and how much money do I have to spend on a shirt?

November— Well, basketball season is here again, but it's too bad I can't make the practices because of the FFA Convention in Kansas City!

December — I' hope Santa comes early with a date for Homecoming—I need someone to "Stand By Me!"

January — Although it took 20 years, we are once again the Vermilion County Basketball Champs!

February — My precious sweetheart better remember Valentine's Day with lots of Valograms, candy, and roses, or that two-timing rat will never see tomorrow!

March — Now that Mr. Wise is gone on one of his famous "trips," we can really enjoy school.

April — People are meeting themselves coming and going—the "Wizard of Oz" is coming to ATHS, and the FHA is going to Springfield.

May — It's finally all over, and what a way to end it with a beautiful prom and a happy graduation! Let's "Never Say Goodbye!"

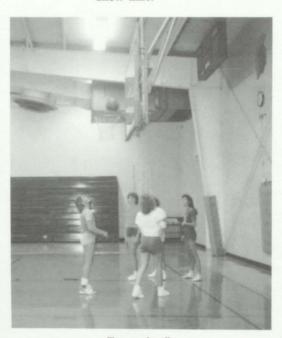

Ain't we cute?

Chow time!

FHA—Towards New Horizons

Future Homemakers of America members were involved in many activities this year.

The more productive events included the Wiener Roast in conjunction with FFA, a Sadie Hawkins Dance, a shopping trip to Lincoln Mall, and a food drive at Christmas. FHA Week consisted of Mr. Irresistible Day, Concert T-shirt Day, Illini/Stuffed Animal Day, Red and White Day with a volleyball game between FHA members and the faculty. A Valentine's Dance was held to end the week's activities.

The money-making projects this year were selling Biech candy bars, hot dogs, and pop at the basketball games. The annual banquet was held on April 7 with members receiving awards for their hard work. Members attending the State Convention in Springfield were Amy Jarboe, Jamie Greene, Linda Duden, Jennie Johnson, and Ranae Zindars.

We would like to thank everyone for their help and support of this year's functions.

During the summer, Mark Schluter and Brad Loschen received their Star Farmer Degrees. In November, Ted Vinson, Tammy Knight, Brad Loschen, Jay Adkins, Dawn Brooks, and Kevin Frerichs attended the National FFA Convention held in Kansas City. Throughout the school year, under the supervision of Robin Harlan, the members participated in various activities and events. FFA Week held in February included Farmer Dress-Up Day, Truck Day and Cowboy Dress-Up Day, Teacher Appreciation and Hat Day, Petting Zoo, and Official Dress Day. Also included in the week's activities was the annual FFA and Faculty Basketball Game. The faculty pulled through with a win by a score of 36-28.

The annual FFA Banquet was held on April 4, 1987, at 6:30 p.m. A good dinner and program was enjoyed by all. Good work by all who helped to make this year a great success!

What a bunch of "suckers"!

During the school year, the Armstrong Student Council kept busy with many activities. Bill Pyle and Mike McCoy spoke to the students about peer pressure. The Homecoming Dance was, once again, a big success, along with Class Competition and Student Council Week in the spring. Five members attended the IASC Convention at St. Louis in May. Student exchanges were initiated again this year with several other schools participating. Most of the members would agree that student council is worth all the efforts, and they encourage others to become a part of it all.

ATHS was very proud of their outstanding volleyball teams this year.

Varsity's overall record was 6-11. Varsity placed third in the Bismarck Invitational Tournament. This year's team was mainly made up of seniors and a few juniors. The seniors will certainly be missed next year.

The JV team had a very successful year. Their overall record was 10-4. Coach Herman said, "These players worked very well together. They set the ball up for spikes more than any ATHS JV team has for a long time." ATHS looks forward to another great year with these returning JV players.

Graduation 1987

It seems like only yesterday That we were so small And our lives were just beginning. It seems like one minute we were Little children exploring our world, And the next we are all grown up, Making our own choices and decisions. Today marks a very special day in our lives-A day we've worked hard for-One that brings much pride and joy To our family and friends, But most of all, to ourselves. We've grown into beautiful And talented young people, People to be proud of And happy for.

We came separately as strangers,
But we leave together as one.
Our lives have so entwined with one another
That each is not only a friend, but a brother.
I know, however, one thing to be true
That even after I've gone to heaven
I'd be proud to say I was part of the Class of '87.

Bryan,

Gosh, it seems like yesterday I just met you, and you're graduating already. I hope my last two years go by as fast as yours did. Hope you can wait on me.

Have fun at Parkland but watch those girls and be good. I'll miss you! I Love You.

> Love, Stacy

Congratulations and best wishes to Brad and the Class of 87. Thanks to the Teachers, Staff, and Coach of ATHS for caring about and helping the students. Good luck in the future, Brad, we love you very much.

Kevin,

Next year when we're apart, I'll miss you with all my heart.

We'll be together 'til the end, Holding hands, the best of friends.

There aren't enough words to tell you how I feel ...
But my love will always be real.

I know that this is true 'cause every time I see you, I fall in love anew.

Remember, please my love is true Ever and always, Just for You.

> I LOVE YOU, Missy
